

PASDA DIVE CHAMPS – JUDGING/ANNOUNCING ASSIGNMENTS

Announcers and judges will be coaches or the equivalent. In no case will a judge give an award for a diver representing the same team as the judge; hence there will be 6 judges for each event. The intent is to have consistency, impartiality, and high quality. A PASDA official will serve as the meet referee who has final authority on assignments, enforcement of rules, and protests.

Please have your team's announcer/judge identified and ready to serve at the assigned time. You must notify the meet referee of any negotiated changes to the schedule below.
